### CPM UNITED KINGDOM LTD AND CPM FIELD MARKETING LTD

#### Introduction

This notice explains what personal data (information) we will hold about you, how we collect it, and how we will use and may share information about you when you register on [www.cpmjobs.co.uk](http://www.cpmjobs.co.uk) and during the application process. We are required to notify you of this information under data protection legislation. Please ensure that you read this notice (sometimes referred to as a 'privacy notice') and any other similar notice we may provide to you from time to time when we collect or process personal information about you.

#### Who collects the information

CPM is a 'data controller' and gathers and uses certain information about you. Our contact details are as follows:

CPM Recruitment - 01844 266829 or [cpmjobs@uk.cpm-int.com](mailto:cpmjobs@uk.cpm-int.com)

#### Data protection principles

We will comply with the data protection principles when gathering and using personal information. See 'About the information we collect and hold' in Table A and B below for further details.

#### About the information we collect and hold

The table set out in Part A of the Schedule below summarises the information we collect and hold up to and including the shortlisting stage of the recruitment process, how and why we do so, how we use it and with whom it may be shared.

The table in Part B of the Schedule below summarises the additional information we collect before making a final decision to recruit, i.e. before making an offer of employment, how and why we do so, how we use it and with whom it may be shared.

We seek to ensure that our information collection and processing is always proportionate. We will notify you of any changes to information we collect or to the purposes for which we collect and process it.

#### Where information may be held

Information will be held on our secure database, managed by our system supplier, Oleo. We will also hold data on our secure internal CPM system, with restricted access to Recruitment and HR personnel.

#### How long we keep your information

We keep the personal information that we obtain about you at registration on [www.cpmjobs.co.uk](http://www.cpmjobs.co.uk) for 12 months, at which point we will ask if you wish to remain registered. You can also request to remove your details from our database at any time by contacting us:

CPM Recruitment - 01844 266829 or [cpmjobs@uk.cpm-int.com](mailto:cpmjobs@uk.cpm-int.com)

We will keep your personal information during the recruitment process for no longer than is necessary for the purposes for which it is processed. How long we keep your information will depend on whether your application is successful, and you become employed by us, the nature of the information concerned and the purposes for which it is processed.

We will keep recruitment information (including interview notes) for no longer than is reasonable, taking into account the limitation periods for potential claims such as race or sex discrimination (as extended to take account of early conciliation), after which they will be destroyed. If there is a clear business reason for keeping recruitment records for longer than the recruitment period, we may do so but will first consider whether the records can be pseudonymised, and the longer period for which they will be kept.

If your application is successful, we will keep only the recruitment information that is necessary in relation to your employment.

Further details on our approach to information retention and destruction are available in our Workplace Privacy Notice which is available on request.

You also have the right to ask for some but not all the information we hold and process to be erased (the 'right to be forgotten') in certain circumstances. We will provide you with further information about the right to be forgotten if you ask for it.

### **Keeping your personal information secure**

We have appropriate security measures in place to prevent personal information from being accidentally lost, used or accessed in an unauthorised way.
