

BlackRock Founders Scholarship

We are seeking talented undergraduate students to apply to the BlackRock Founders Scholarship in the UK. You must be a UK resident and must have completed your secondary school studies in the UK.

In addition to the above specification, you should also be able to identify with **at least two** of the following statements:

You are, or have you been, a parent or a registered carer during your school or University studies

You were eligible for free school meals at any point between 11 and 16 years old

You regularly undertook paid work during the ages of 16-18, during term time

You grew up in a household where no parent or guardian had attended university

You came to the UK as a refugee/asylum seeker

HOW TO APPLY:

- Submit your application for the 2019 Summer Analyst Program at BlackRock
- Complete a virtual cover letter within 3 days or coding test within 4 days from your application submission date
- Complete the Contextual Recruitment survey that is sent to you via email
- Participate in interviews for 2019 Summer Analyst opportunities at BlackRock
- Candidates selected for a summer internship will be invited to submit a short-written response to be considered for our £5,000 merit award

APPLY TODAY:

- Visit careers.blackrock.com/campusrecruitment and click **Search & Apply**
- Submit an application for BlackRock's Summer Analyst Program
- Confirm on the application form that you are eligible for BlackRock Founders Scholarship
- Applications open 1 August 2018 and are due by 11 November 2018

BlackRock combines the energy and fast-paced nature of a startup with the security and resources of a leading global asset manager. Our employees embrace some of the world's most complex financial challenges, and know the work that we are doing is having a real impact – not only on our clients, but on the industry as a whole. No matter what your level, we offer our employees real responsibility from day one—and we'll be looking to you for your unique perspective to help us challenge the status quo.
