

if you're looking for the best... ...award-winning e-Recruitment software for the Public Sector

unrivalled experience working with Public Sector clients

WCN is the leading supplier of Public Sector e-Recruitment systems, working with numerous clients over many years including HM Revenue & Customs, Hampshire County Council, DFID (Department for International Development), Welsh Assembly Government plus many Universities, Police Forces and Fire and Rescue Services.

Whether your key challenge is speeding up time-to-hire, cutting agency fees, improving consistency in recruitment processes, involving panel members or meeting regulatory and diversity requirements, WCN has the solution to ensure your success.

award-winning e-Recruitment technology

WCN has been supplying e-Recruitment software to hundreds of leading employers since 1995. The Financial Times described WCN, in 1999, as providing possibly the first ever e-Recruitment solution. WCN's innovative approach to solution development has resulted in success every year at the Onrec (Online Recruitment) Awards since their inception in 2005. In 2009 WCN and their clients received ten nominations at these awards, including 5 clients within the Public Sector.

WCN*Public's* intuitive design means that, once implemented, you'll quickly be up-to-speed and reaping the full benefits of e-Recruitment.

best practice Public Sector e-Recruitment software

Based on our work as authors of the *Government's Guide to Best Practice e-Recruitment* and our experience working with recruitment teams in the Public Sector, WCN has incorporated standard features into a solution that offers a comprehensive e-Recruitment system built specifically for Public Sector recruiters. With four levels of tailoring WCN ensures that the system fits your specific requirements.

With selection panel functionality, vacancy authorisation processes, anonymous candidate lists, integrated online referencing and a full reporting suite, WCN*Public* enables you to run recruitment online efficiently and in line with best practice industry standards.

WCN recognises that individual Public Sector recruitment teams may work differently; as such WCN*Public* offers scope to be specifically tailored to meet your current processes.

outstanding customer service & advice

"The support we get is first class - queries are always dealt with quickly and efficiently", HMRC Client comment.

WCN is widely recognised by employers as consistently providing the highest levels of customer service and as the authors of the *Government's Guide to Best Practice in e-Recruitment*, who better to come to for advice?

rapidly implemented

In 2-12 weeks, WCN*Public* can be an integral part of your recruitment, reflecting your processes and branding.

Implementing WCN*Public* results in a higher quality solution, for less effort and cost, in a shorter time: by allowing you to adapt the WCN*Public* specification, we deliver a tailored solution, while cutting your work, shortening the delivery time, improving the quality of the final result and reducing the cost.

WCN also has the appropriate framework agreements in place to facilitate the procurement process.

strongest return on investment

By delivering a higher quality solution, more quickly, with less work and cost, you can be sure that WCN*Public* will give you the strongest return on investment.

The investment from introducing WCN's e-Recruitment software is often recouped in year one, enabling clients to make larger savings from year two onwards. Savings accrue from reduced spend on advertising and recruitment agencies, cutting administration costs and time-to-hire. In addition to cutting costs you'll also:

- Raise hire quality and time-to-hire
- Reduce paper, administration and the overall spend on recruitment
- Open out recruitment to a wide range of role types
- Improve co-ordination of selection panels
- Provide a user friendly system for candidates, recruiters and managers
- Have access to a usable and effective talent banking facility
- Manage Guaranteed Interview Schemes online
- Enhance your position as an employer of choice
- Improve reporting
- Support diversity initiatives
- Improve consistency in recruitment processes
- Better meet regulatory requirements

high level feature list*

- Job posting to Intranet or Internet (or other sites)

for the best...

...award-winning
e-Recruitment
software for the
Public Sector

Congratulations to the 6 WCN clients nominated as 2010 Onrec Award finalists!

John Lewis Partnership

Finalist Best Corporate use of Online Recruitment:

www.jlpjobs.com provides a single place for jobseekers to search and apply for jobs across Waitrose supermarkets, the John Lewis Partnership's corporate offices, and John Lewis department stores and distribution. The WCN solution supports more efficient recruitment processes and ensures consistent good practice across the Partnership. The benefits to jobseekers and the business include:

- Ability to search for jobs across all disciplines of the John Lewis Partnership
- Ability to search for jobs in their region
- Provides consistency and streamlines recruitment processes using up to date recruitment methods whilst ensuring that the John Lewis Partnership are in a good position to support an ambitious growth programme.

THE LONDON SCHOOL
OF ECONOMICS AND
POLITICAL SCIENCE ■

Finalist Best Technical Innovation:

The London School of Economics and Political Science (LSE), in partnership with WCN, has pioneered an enhanced secure sign-on that allows only existing employees to access and apply to internal vacancies. Using the accepted standard for Federated Access Management, Shibboleth, LSE and WCN provide candidates with a single point of entry, allowing them to register with the user details previously issued for email and other network services. The integrated WCN-LSE solution securely passes known personal details of the applicant to pre-populate their online application. Applicants thus complete and manage their applications more efficiently as part of an overall quicker and easier recruitment process.

Finalist Best Public Sector Site:

Surrey County Council chose WCN as their e-Recruitment partner to help streamline recruitment processes, reduce spend, improve retention rates and become an employer-of-choice for candidates

Implemented within four months, the WCN/Surrey complete e-recruitment system is fully integrated with the practice management system and provides secure single sign-on. WCN's branding capabilities allow the interfaces to replicate Surrey's own website "look and feel". User specific interfaces guarantee that users only see information relevant to their role, in a language that makes sense to Surrey. The solution facilitates multiple levels of communication between different users (including 1700 line managers).

Finalist Best Public Sector Site:

The Hampshire Recruitment Portal joint electronic recruitment service was designed by Hampshire in partnership with WCN to create one dedicated site holding all local government jobs across 12 local authorities in Hampshire.

www.Hampshirejobs.org.uk provides jobseekers with a holistic view of careers in Local Government in Hampshire.

The benefits for jobseekers include only having to fill in application details once, regardless of the job or local authority they are applying to, with the ability to create automatic job alerts, book interviews and track applications online.

Results include well over £200,000 pa efficiency savings in increased productivity, at the same time as improving service quality.

Creating a safer
Cambridgeshire

Finalist Best Public Sector Site:

Cambridgeshire Constabulary chose WCN as their partner to improve candidate experience, enhance working methodology and streamline the police recruitment process. They faced many challenges, including diversity considerations.

After a 6 week WCN implementation, incorporating CASA (Computerised Administration System for Assessment) integration for PO (Police Officer) registration forms, an online approval process, an events module targeting police officer applicants and an integrated simple-to-use reporting tool, Cambridgeshire boasts an e-Recruitment solution that 96% of candidates rate good to excellent. The WCN system has been rolled out for staff, PCSO's (Police Community Support Officer's), special constables, police officer recruitment roles, with transferees to be implemented next.

Best Corporate Graduate Site:

J.P. Morgan, working with WCN for over 10 years, continues to evolve in an ever demanding financial services environment, where the battle for talent is fierce. In partnership with WCN, J.P. Morgan's online Graduate system has the ability to:

- individually brand each marketing campaign run on campus and in-house
- restrict the volume of candidates who sign-up for marketing events
- track internal J.P. Morgan employees and their participation at J.P. Morgan events
- track event applicants through to offer, determining which events produce full-time or internship offers

... exceptional experience working with leading employers
