WCN...award-winning e-Recruitment software

outstanding experience

WCN is a leading supplier of e-Recruitment software, working with a large number of organisations over many years including Aviva, BNP Paribas, Bank of America Merrill Lynch, Clifford Chance, Eversheds, Greater Manchester Fire & Rescue Services, HM Revenues & Customs, John Lewis Partnership, Hampshire Local Government Partnership, JP Morgan, London School of Economics, Marks & Spencer, Penna Barkers, PriceWaterhouseCoopers, Standard Chartered Bank, Tesco, Waitrose, Welsh Assembly Government, West Yorkshire Police and many more.

Whether your key challenge is cutting costs and time-to-hire, or improving quality and service to candidates and the business, WCN ensures your success.

award-winning e-Recruitment technology

WCN has been supplying e-Recruitment software to hundreds of leading employers since 1995. The Financial Times described WCN, in 1999, as providing possibly the first ever e-Recruitment solution. WCN's innovative approach to solution development has resulted in success every year at the Onrec (Online Recruitment) Awards since their inception in 2005. In 2009, WCN and their clients received ten nominations at these awards and WCN was described as best-in-class in three product areas in the Leading Industry Analyst's 2009 e-Recruitment software market analysis.

The intuitive design of WCN's software means that, once implemented, you'll quickly be up-to-speed, reaping the full benefits of e-Recruitment.

best practice e-Recruitment software

Based on our work as authors of the Government's Guide to Best Practice e-Recruitment and our experience working with our clients, WCN has created a comprehensive range of off-the-shelf best practice solutions.

WCN provides solutions to all types of employers and off-the-shelf solutions specifically for universities, legal firms, retailers, police forces and everything in between. So whether your focus is volume recruitment, contract or temporary workers, professionals or graduates, we have a solution for you.

WCN recognises that individual employers work differently: as such all our solutions can be easily tailored to meet your specific processes - either through user-friendly self-configuration tools or with the support of our in-house experts.

unrivalled customer service & advice

WCN is widely recognised by employers as consistently providing the highest levels of customer service and as the authors of the Government's Guide to Best Practice in e-Recruitment, who better to come to for advice?

"The support we get is first class - queries are always dealt with quickly and efficiently" HM Revenues & Customs client comment.

"Training...was excellent - team extremely knowledgeable and supportive" Marks & Spencer client comment.

"WCN has always been very responsive if Penna Barkers needed any help with configuration or client/candidate queries." Penna Barkers client comment.

rapidly implemented

In no time at all, WCN's software can be an integral part of your recruitment, reflecting your processes and branding requirements.

Implementing WCN results in a higher quality solution, for less effort and cost, in a shorter time: by allowing you to adapt our off-the-shelf solutions, we deliver a tailored solution, while cutting your work, shortening the delivery time, improving the quality of the final result and reducing the cost.

strongest return on investment

By delivering a higher quality solution, more quickly, with less work and cost, you can be sure that WCN will give you the strongest return on investment.

The investment from introducing WCN's e-Recruitment software is often recouped in year one, enabling clients to make larger savings from year two onwards. Savings accrue from reduced spend on advertising and recruitment agencies, cutting administration costs and time-to-hire. In addition to cutting costs you'll also

- Reduce paper and administration
- Raise the level of service to the business
- Make significant gains in time-to-hire and hire quality
- Improve talent banking and direct sourcing
- Enhance your employer brand and candidate service
- Improve consistency and management of different types of recruitment
- Launch new campaigns more quickly and simply
- Simplify working across different systems and technologies
- Empower line managers
- Embed good practice
- Better meet regulatory requirements
- Improve reporting and results

Congratulations to the 6 WCN clients nominated as 2010 Onrec Award finalists!

John Lewis Partnership

Finalist Best Corporate use of Online Recruitment:

www.jlpjobs.com provides a single place for jobseekers to search and apply for jobs across Waitrose supermarkets, the John Lewis Partnership's corporate offices, and John Lewis department stores and distribution. The WCN solution supports more efficient recruitment processes and ensures consistent good practice across the Partnership. The benefits to jobseekers and the business include:

- Ability to search for jobs across all disciplines of the John Lewis Partnership
- Ability to search for jobs in their region
- Provides consistency and streamlines recruitment processes using up to date recruitment methods whilst ensuring that the John Lewis Partnership are in a good position to support an ambitious growth programme.

THE LONDON SCHOOL
OF ECONOMICS AND
POLITICAL SCIENCE ■

Finalist Best Technical Innovation:

The London School of Economics and Political Science (LSE), in partnership with WCN, has pioneered an enhanced secure sign-on that allows only existing employees to access and apply to internal vacancies. Using the accepted standard for Federated Access Management, Shibboleth, LSE and WCN provide candidates with a single point of entry, allowing them to register with the user details previously issued for email and other network services. The integrated WCN-LSE solution securely passes known personal details of the applicant to pre-populate their online application. Applicants thus complete and manage their applications more efficiently as part of an overall quicker and easier recruitment process.

Finalist Best Public Sector Site:

Surrey County Council chose WCN as their e-Recruitment partner to help streamline recruitment processes, reduce spend, improve retention rates and become an employer-of-choice for candidates

Implemented within four months, the WCN/Surrey complete e-recruitment system is fully integrated with the practice management system and provides secure single sign-on. WCN's branding capabilities allow the interfaces to replicate Surrey's own website "look and feel". User specific interfaces guarantee that users only see information relevant to their role, in a language that makes sense to Surrey. The solution facilitates multiple levels of communication between different users (including 1700 line managers).

Finalist Best Public Sector Site:

The Hampshire Recruitment Portal joint electronic recruitment service was designed by Hampshire in partnership with WCN to create one dedicated site holding all local government jobs across 12 local authorities in Hampshire.

www.Hampshirejobs.org.uk provides jobseekers with a holistic view of careers in Local Government in Hampshire.

The benefits for jobseekers include only having to fill in application details once, regardless of the job or local authority they are applying to, with the ability to create automatic job alerts, book interviews and track applications online.

Results include well over £200,000 pa efficiency savings in increased productivity, at the same time as improving service quality.

Creating a safer
Cambridgeshire

Finalist Best Public Sector Site:

Cambridgeshire Constabulary chose WCN as their partner to improve candidate experience, enhance working methodology and streamline the police recruitment process. They faced many challenges, including diversity considerations.

After a 6 week WCN implementation, incorporating CASA (Computerised Administration System for Assessment) integration for PO (Police Officer) registration forms, an online approval process, an events module targeting police officer applicants and an integrated simple-to-use reporting tool, Cambridgeshire boasts an e-Recruitment solution that 96% of candidates rate good to excellent. The WCN system has been rolled out for staff, PCSO's (Police Community Support Officer's), special constables, police officer recruitment roles, with transferees to be implemented next.

Best Corporate Graduate Site:

J.P. Morgan, working with WCN for over 10 years, continues to evolve in an ever demanding financial services environment, where the battle for talent is fierce. In partnership with WCN, J.P. Morgan's online Graduate system has the ability to:

- individually brand each marketing campaign run on campus and in-house
- restrict the volume of candidates who sign-up for marketing events
- track internal J.P. Morgan employees and their participation at J.P. Morgan events
- track event applicants through to offer, determining which events produce full-time or internship offers
